Subject to satisfaction of the conditions in this Section 2, the Mayor is hereby authorized and directed to execute and deliver and the City Clerk is hereby authorized to attest under seal, the Series 2010 Note. The execution and delivery thereof in the manner described in the preceding sentence shall constitute complete approval of such Series 2010 Note by the Issuer, including any changes to the form attached hereto as Exhibit A, and shall be deemed to be a part of this instrument as fully and to the same extent as if incorporated verbatim herein.

SECTION 3. No Reserve Fund. In the Master Bond Resolution, the Issuer created and established the Reserve Fund and provided that Additional Parity Obligations may be issued without being secured by the Reserve Fund or any account therein to the extent so provided by a Supplemental Resolution. SECTION 4. Application of Series 2010 Bond Proceeds. The proceeds received from the sale of the Series 2010 Note shall be applied by the Issuer simultaneously with the delivery of the Series 2010 Note to the Bank as follows:

(A) An amount equal to the Redemption Price of the Series 2008 Bonds on the redemption date thereof, at 100% of the principal amount thereof, plus interest accruing on the principal amount of the outstanding Series 2008 Bonds, **[without regards to any interest earnings thereon,]** plus any expenses or other costs related to the refunding of the Series 2008

Regions Bank is hereby directed to issue on the earliest possible date a notice of redemption to the holders of the Refunded Bonds in accordance with the requirements of the Master Bond Resolution.

In addition, if deemed favorable to the City by the Mayor and the City Manager, the Series 2008 Bonds may be made subject to a Mandatory Purchase Date if the consent of the Remarketing Agent and the Credit Issuer is also obtained. The Issuer covenants to the purchaser of the Series 2010 Note that the Issuer will not make any use of the proceeds of the Series 2010 Note at any time during the term of the Series 2010 Note which, if such use had been reasonably expected on the date the Series 2010 Note was issued, would have caused such Series 2010 Note to be an "arbitrage bond" within the meaning of the Code. The Issuer will comply with the requirements of the Code and any valid and applicable rules and regulations promulgated thereunder necessary to ensure the exclusion of interest on the Series 2010 Note from the gross income of the holders thereof for purposes of federal income taxation.

SECTION 7. Taxability.

(A) If the tax laws or regulations are amended to cause interest on the Series 2010 Note to become taxable to the extent not otherwise taxable on the date of issuance hereof, or in the event the Holder of the Series 2010 Note is unable to deduct any other amounts as a result of purchasing or carrying the Series 2010 Note, or in the event of a change in the alternative minimum tax or in the method of calculating the alternative maximum tax to which the Holder

of the Series 2010 Note may be subject, or in the event of any other tax action which would otherwise decrease the after-tax yield to the Holder of the Series 2010 Note (in each case other than because of a Determination of Taxability described in (B) below; in the event of a Determination of Taxability the provisions of paragraph (C) below would apply), and, in all events, all rights to appeal or contest such determination or declaration have expired or been exhausted and such determination or declaration remains effective, the interest rate on the Series 2010 Note shall be adjusted by the Holder of the Series 2010 Note so as to preserve the after-tax yield to the Holder of the Series 2010 Note. The Holder of the Series 2010 Note shall certify to the Issuer in writing the additional amount, if any, due to the Holder of the Series 2010 Note as a result of an adjustment pursuant to this paragraph. To the extent an adjustment to the interest rate on the Series 2010 Note is not effective within three months of the event giving rise to the adjustment, the additional interest due as a result of such adjustment shall be paid with interest thereon compounded monthly at the rate which is equal to the interest rate on the Series 2010 Note; provided, however, in no event shall such interest rate exceed the maximum rate permitted by law. (C) Upon the occurrence of a Determination of Taxability, the interest rate on the Series 2010 Note shall be adjusted to a rate equal to 154% of the interest rate otherwise borne thereby (the "Adjusted Interest Rate") calculated on the basis of a 360-day year consisting of twelve 30-day months for the actual number of days elapsed, as of and from the date such Determination of Taxability is applicable with respect to the Series 2010 Note (the "Accrual Date"); and (i) the Issuer shall on the next interest payment date (or if the Series 2010 Note shall have matured, within 30 days after written demand by the Holder of the Series 2010 Note) hereon pay to the Holder of the Series 2010 Note an amount equal to the sum of (1) the difference between (A) the total interest that would have accrued on the Series 2010 Note at the Adjusted Interest Rate from the Accrual Date to such next interest payment date (or maturity date), and (B) the actual interest paid by the Issuer on the Series 2010 Note from the Accrual Date to such next interest payment date (or maturity date), and (2) any interest and penalties required to be paid as a result of any additional federal income taxes imposed upon the Holder of the Series 2010 Note hereof and/or former Holder of the Series 2010 Note hereof arising as a result of such Determination of Taxability; and (ii) from and after the Date of the Determination of Taxability, the Series 2010 Note shall continue to bear interest at the Adjusted Interest Rate for the period such determination continues to be applicable with respect to this Note. This adjustment shall survive payment of the Series 2010 Note until such time as the federal statute

of limitations under which the interest on the Series 2010 Note could be declared taxable under the Code shall have expired.

SECTION 8. Designation of the Series 2010 Note. The Issuer hereby designates the Series 2010 Note as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3) of the Code. The Issuer and any subordinate entities of the Issuer and any issuer of "tax-exempt" debt that issues "on behalf of" the Issuer do not reasonably expect during the calendar year 2010 to issue more than \$30,000,000 of "tax-exempt" obligations including the Series 2010 Note, exclusive of any private activity bonds as defined in Section 141(a) of the Code (other than qualified 501(c)(3) bonds as defined in Section 145 of the Code).

SECTION 9. Appointment of Registrar and Paying Agent. The City Manager is hereby appointed as the initial Registrar and Paying Agent relating to the Series 2010 Note.
