

## RESOLUTION 2014-18

### A RESOLUTION SUPPORTING THE HEALTHIEST WEIGHT FLORIDA INITIATIVE

**WHEREAS**, the City of Port St. Joe supports policies that focus on healthy weight, health and wellness, and healthier lifestyles in all communities; and

**WHEREAS**, the Florida Department of Health has launched a healthy weight campaign known as "Healthiest Weight Florida", a public-private collaboration to help Florida's children and adults make informed, consistent choices about healthy eating and active living; this program has been embraced by individuals and businesses in many cities, counties, and communities; and

**WHEREAS**, the State Surgeon General has launched the 2015 Healthy Weight Community Champion Recognition Program that will recognize local governments and active municipalities (cities, towns and villages) and 67 counties that implement policies to help people become more physically active and improve nutrition; Best practice policies implemented by communities will be recognized on January 5, 2015; and

**WHEREAS**, 66% of residents in Gulf County are estimated to be overweight or obese and more than 27 % of middle and high school students are obese; and

**WHEREAS**, nearly 80% of Gulf County adults do not consume at least 5 servings of fruits and vegetables daily; and

**WHEREAS**, poor nutritional choices and a lack of physical activity are linked to excessive weight and obesity which increase the risk of diabetes, cancer, heart disease, liver disease, hypertension and other health conditions; and

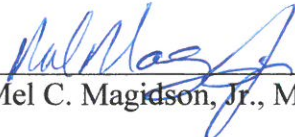

**WHEREAS**, city officials believe there are important, long-term community benefits to be gained by encouraging healthy lifestyles, including a decrease in overweight and obesity in Florida's adults and children and the associated negative health related impacts; and

**WHEREAS**, cities and community partners can work together to ensure that there are safe places for residents to be active, such as in parks, ball fields, and exercise trails; and

**WHEREAS**, access to healthy foods has a direct impact on the overall health of our community and planning for fresh food, open space, sidewalks, and parks should be a priority.

**NOW, THEREFORE**, BE IT RESOLVED THAT THE MAYOR AND PORT ST. JOE CITY COMMISSIONERS challenge all local governments, businesses, students, parents and all residents to participate in the Healthy Weight Florida campaign to foster healthy weight and improve overall health, improve job and school performance and decrease work and school absenteeism.

Adopted this 4<sup>th</sup> day of November, 2014.
